Here is your chance to have one of your own photographs displayed on the front cover of The Forestry Chronicle! Throughout the 2012 year, the CIF/IFC will be having a photo contest in each issue of The Forestry Chronicle. The winning photo will then be used for the following issue cover. The selection committee, comprised of the CIF/IFC knowledge exchange team, will judge the submitted photos based on the specific theme outlined.

**THEME #1: International Year of Forests**

**Issue: January/ February, 2012**

The United Nations General Assembly declared last year, 2011, as the International Year of Forests (IYF) to raise awareness on sustainable management, conservation and sustainable development of all types of forests. Many sections of The Canadian Institute of Forestry embraced this declaration and were involved in promoting this message in the forestry sector. We are looking for the BEST IYF photos! These may include landscapes, unique forests, events, etc.

We are accepting digital photos (.jpg) only. Please send your photo to Vanessa Chaimbrane before January 1st, 2012 at vchaimbrane@cif-ifc.org using the naming convention “Jan/Feb_Last Name.jpg”. Please also include a brief description of the photo (i.e. title, location, photo credit, etc.)

**GOOD LUCK TO ALL!!**
